Cloud+

Improve Your Career with Cloud+ Certification

CompTIA Cloud+

Becoming CompTIA Cloud+ certified gives you marketable knowledge and skills that make you a valuable employee.

CAREER ADVANCEMENT

CompTIA Cloud+ certification assures employers that you have the ability to implement, maintain and deliver cloud infrastructures.

IN-DEMAND SKILLS

Organizations that use cloud platforms have to upgrade their network systems to support the increased load. This drives many businesses to look for qualified talent like you to improve their enterprise networks.

JOB SATISFACTION

76% of CompTIA certified IT professionals express satisfaction with their job.*

GLOBALLY RECOGNIZED

Earning your Cloud+ certification gives you an internationally recognized, vendor-neutral credential. Demonstrate your competency in cloud models, virtualization, infrastructure, security, resource management and business continuity.

COMPETITIVE ADVANTAGE

Cloud+ certification increases the prospects of landing your dream job. 86% of hiring IT managers indicate IT certifications are a high priority during the evaluation process.**

> "Cloud+ certification will set individuals ahead of their peers and make them more valuable to employers."
