CompTIA Mobility+® Certification for Government Agencies and Contractors

Mobility+ is a perfect qualification for the following jobs:

- Mobility Engineer
- Network Administrator
- Mobility Architect
- Mobile Device Management Administrator

Verified Skills

The CompTIA Mobility+ certification exam includes *multiple-choice questions* to help IT professionals demonstrate comprehension of mobile device management, troubleshooting, security and network infrastructure.

CompTIA Mobility+ CERTIFICATION EXAM

Your staff can earn Mobility+ certification by passing the CompTIA Mobility+ certification exam:

- CompTIA Mobility+ MB0-001 identifies IT professionals who can deploy, integrate, support and manage a mobile environment while ensuring proper security measures are maintained for devices and platforms to mitigate risks and threats.

GETTING CERTIFIED

Your employees may enjoy the rewards of Mobility+ certification by following these steps:

1. Preparing with a number of training options: Classroom, Books, E-Learning, Boot Camps, Practice Tests.

2. Locate a Pearson VUE testing center and take the Mobility+ exam.

It is recommended that Mobility+ candidates are Network+ certified, with 18 months experience in the mobile environment and 12 months of networking experience.
