

IT Professionals

Mobility+

Increase your value with Mobility+ Certification

Join one of the fastest growing segments of IT by earning your CompTIA Mobility+ certification.

CAREER ADVANCEMENT

Mobility+ certification helps to qualify you for an IT career as a mobility engineer, network administrator, mobility architect and security administrator.

HIGHER SALARIES

Demonstrate your in-demand capabilities with a Mobility+ certification. The average salary of a mobility architect is \$95,000.*

globally recognized

Earning your Mobility+ certification gives you an internationally recognized, vendor-neutral credential. It also demonstrates you're competent in a mobile networking environment, capable of managing over-the-air technologies, network infrastructure, mobile devices and security.

JOB SATISFACTION

76% of CompTIA certified IT professionals expressed satisfaction with their job.**

“CompTIA Mobility+ is perhaps the best vendor-neutral certification in the mobile networking category.”

14 MOBILE CERTIFICATIONS THAT MEET IT DEMANDS, CIO.COM ***

CompTIA Mobility+® Certification for IT Professionals

Mobility+ is a perfect qualification for the following jobs:

- Mobility Engineer
- Network Administrator
- Mobility Architect
- Mobile Device Management Administrator

Prove Yourself

The CompTIA Mobility+ certification exam includes *multiple-choice questions* that explore mobile device management, troubleshooting, security and network infrastructure.

CompTIA Mobility+ CERTIFICATION EXAM

Earn your Mobility+ certification by passing the CompTIA Mobility+ certification exam:

- CompTIA Mobility+ MB0-001 identifies IT professionals who can deploy, integrate, support and manage a mobile environment while ensuring proper security measures are maintained for devices and platforms to mitigate risks and threats.

GETTING CERTIFIED

To enjoy the rewards of Mobility+ certification:

1. Get prepared using the training option you prefer: Classroom, Books, E-Learning, Boot Camps, Practice Tests.
2. Locate a Pearson VUE testing center near you and take the Mobility+ exam.

While there are no prerequisites for the Mobility+ exam, we recommend individuals have 18 months experience in a mobile environment. CompTIA Network+ certification and 12 months networking experience is strongly encouraged.
