

Purchase the Essential Tool you need and we'll give you the Essential Tool you want!

Make sure you're getting the **best value for your money**. Buy quality that will last and you will replace your tools less often. With extended warranties, superior ruggedness, durability and reliability, you can be sure you're getting the best testers and tools, from a company you can trust. Fluke Networks offers the most reliable set of network installation tools you need for installing, terminating and troubleshooting high-performance voice, data and video networks. These are the essential tools you use every day to get the job done quickly and accurately. From March 1, 2009 through June 30, 2009, when you purchase at any one of the Platinum, Gold or Silver levels, you can select the essential tool you want and we'll send it to you free.
