Easy Automation: IFT with 8960 Lab Application Promotion

Start date: May 1, 2010 – **End date:** December 31, 2010

Promotion code: 5.804

Promotion Description:

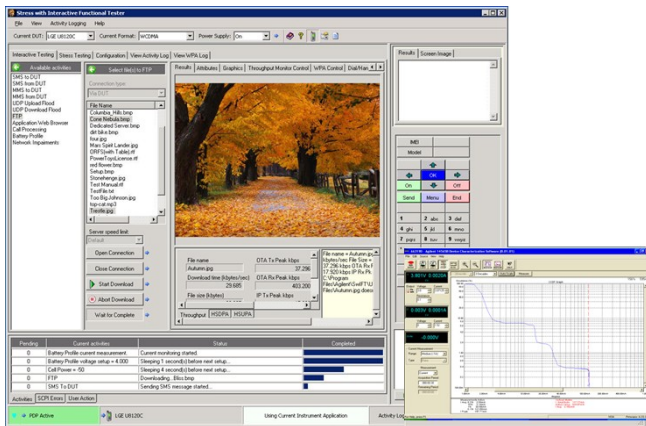

Take advantage of this time-limited promotion to receive a 40% discount on the N5970A or N5971A Interactive Functional Test software when purchased with an 8960 Lab Application. Ensure the highest quality of your mobile designs and software by testing in the most realistic network conditions with the 8960 mobile communications test set in conjunction with the IFT software. Test battery drain, data throughput, SMS, MMS and call processing with real-world user profiles. Troubleshoot functional issues in the lab that conformance testing can't find, resolving issues that often are found in the field.
