Start date: June 1, 2010
End date: November 30, 2010
Promotion code: 5.812

Promotion Description: For a limited time only, save up to 40% on Signal Studio software for general purpose, cellular, wireless connectivity, digital video and more.

Agilent Technologies' customers who purchase:

- Two eligible Signal Studio software products will receive a 20% promotional discount on all Signal Studio software products on the same purchase order
- Three eligible Signal Studio software products will receive a 30% promotional discount on all Signal Studio software products on the same purchase order
- Four eligible Signal Studio software products are eligible to receive a 40% promotional discount on all Signal Studio software products on the same purchase order

This promotion is also eligible for Agilent used equipment.

Promotion Conditions:

1. This promotion is open to Agilent Technologies' commercial end user customers, designated resellers, Authorized Technology Partners (ATP), in the US, Canada, Latin America, Europe, Japan, and Asia as well as to US government, GSA and US federal resellers. Distributors in Japan are eligible as well.
2. Customer must reference promotion code **5.812** upon order placement.
3. The promotion discount is combinable with the standard purchase agreement discount. Customer's standard purchase agreement terms and conditions apply.
4. Support options or lease orders are not eligible to receive the promotion credit.
5. Agilent Technologies reserves the right to modify or discontinue this offering during the promotional period.
6. This promotion cannot be combined with trade-in specials and any other current programs or special offers except promotion 5.811, RF vector signal sources promotion and the PXB RF fading bundle program.
7. Promo discount quantities for Signal Studio "B-models" apply at the hardware connectivity level only. The count for the eligible discount level is at the model number level and not the sub options, however all sub options receive the promotion discount.
8. For Signal Studio "A models" each eligible option counts toward a promo discount quantity.
9. For E4438C-40X/E8267D-40X each eligible option counts toward a promo discount quantity.
10. The promotion discount is limited to a maximum 40% discount. Higher quantities will not be eligible for continued increases in promotion discount.
