

## Agilent Promotion Fact Sheet

### Save 50% on an ECal Module With the Purchase of an E5072A, E5071C or E5071CEP ENA Series Network Analyzer

**Start date:** October 1, 2011 **End date:** June 30, 2012

**Promotion code:** 5.855

**Availability:** Worldwide

#### Promotion Description:

Take advantage of this limited time promotion between now and June 30, 2012. Purchase an E5071C, E5072A or E5071CEP ENA series network analyzer and receive an Electrical Calibration (ECal) module at 50% discount!

The E5071C is an industry standard RF network analyzer that delivers basic to advanced analysis capability.

The E5071CEP is the most popular configuration for fast delivery through Agilent's distribution partners.

The E5072A is a new member of the ENA series providing more flexible capabilities and best-in class performance with enhanced capabilities. The ECal module makes calibration of vector network analyzers fast, easy, accurate and increases your productivity.

#### Eligible Product

Category	Product Number
ENA Series Network Analyzer	E5071C, E5072A or E5071CEP

#### Promotion Conditions:

1. This promotion is open to Agilent Technologies' commercial end use customers, education customers, designated resellers, and ATPs worldwide. It is also available to distributors in eligible regions.
2. Customer must reference promotion code **5.855** upon order placement.
3. The order must include an E5072A, E5071C or E5071CEP to be eligible for the discounted electronic calibration module.
4. The promotion discount is combinable with the standard purchase agreement discount, for the ENA only.
5. Support options are not eligible to receive the promotion discount.
6. Other product purchases not outlined within this promotion can be added to the order but cannot receive the promotion discount.
7. This promotion cannot be combined with other programs or special offers.
8. Agilent Technologies reserves the right to modify or discontinue this offering during the promotional period.
