

Agilent Promotion Fact Sheet

Free Close Field Probe Set With the Purchase of a CXA Signal Analyzer and EMI Measurement Application

Start date: December 1, 2011

End date: May 31, 2012

Promotion code: 5.863

Availability: All Countries

Promotion Description:

Take advantage of this limited time promotion and purchase a low cost EMI pre-compliance test solution. With the purchase of a new N9000A signal analyzer or N9000AEP CXA express configuration and a W6141A EMI measurement application you will receive a free close field probe set to perform EMI pre-compliance test, troubleshooting and design verification.

It is also recommended this solution have a pre-amplifier N9000A-P03 or P07 installed in the CXA to greatly improve sensitivity.
