

Featured Customer Promotions

1 NEW N6700 Power Promotion: Buy 3 modules, Get 1 Free **NEW**

STARTS: 10/1/2011
ENDS: 3/31/2012
While supplies last

TERMS: Customers who purchase any 3 x N6700 modules between Oct 1, 2011 and March 31, 2012 (pending availability) may select a basic N6700 module to receive for FREE at www.agilent.com/find/PowerPromo.

BENEFIT: The Agilent N6700 Low-Profile Modular Power System simplifies test-system assembly, programming, debugging and operation. It's flexibility, small size, and fast command processing time make it ideal for ATE and production test environments. Now customers can get more for less and fill out their mainframes.

TARGET CUSTOMERS: Customers in the US/Canada.

2 Trade In and Save 15% on X-Series Scopes **NEW**

STARTS: 9/1/2011
ENDS: 2/29/2012
Promo Code: 5.853

TERMS: Customers who trade-in any vendor's ≥ 50 MHz oscilloscope (working or not), are eligible to receive a 15% discount on any new 2000 or 3000 X-Series scope purchase (20% discount for Education customers).

BENEFIT: Get rid of old equipment and receive a significant discount on the newest scope from Agilent!

TARGET CUSTOMERS: ALL

3 Free InfiniiVision DSOX3034A Oscilloscope With the Purchase of a 1 GHz 7000B or any 9000 Series Oscilloscope **NEW**

STARTS: 9/1/2011
ENDS: 2/29/2012
Promo Code: 5.854

TERMS: Customers who purchase a new InfiniiVision 7000B 1GHz oscilloscope or Infiniium 9000 Series oscilloscope of any bandwidth are eligible to receive a free InfiniiVision DSOX3034A 350 MHz, 4 channel oscilloscope.

BENEFIT: Get the newest scope from Agilent FREE with qualified purchase!

TARGET CUSTOMERS: ALL

4 34972A Remote Monitoring Wireless Promotion

STARTS: 7/1/2011
ENDS: 1/1/2012

TERMS: Customers who purchase a new 34972A between July 1, 2011 and Jan 1, 2012 (pending availability), will receive a FREE 300 Mbps Wireless N Travel Router, along with an invitation to download two new measurement briefs on wireless instrument connectivity, and a new iPhone/iPad application allowing customers to configure and make measurements from their Apple mobile device.

BENEFIT: Customers can turn their 34972A LXI-C/LAN instrument in to a wireless instrument. It is easier than ever to connect to an instrument and certainly to monitor data remotely.

TARGET CUSTOMERS: Customers in the US and Canada doing design validation and R&D.
