

Introducing OPT-IN^{*}. The most powerful is also the most protected.

LumenisOne now comes with a new series of ownership enhancements. OPT-IN offers benefits that redefine the concept of 'service' in a service package. This comprehensive coverage ensures your LumenisOne is virtually trouble-free, maintenance-free and protected against costly interruptions of your IPL[®], LightSheer[®] and Nd:YAG treatment capabilities during the life of your service agreement. Your OPT-IN service package comes with:

- Two free maintenance service visits
- Free service and support for all treatment heads during the lifetime of the service agreement
- Free warranted treatment heads for unlimited pulses
- 25% discount on consumables
- Free physician listing on www.skinandhealth.com
- Free software upgrades
