

The M22™ Simplicity Package.

Success made simple. IPL without interruptions.

The new M22 Simplicity Package warranty provides trouble-free, maintenance-free protection against costly interruptions of your IPL capability during your warranty period. In short, astonishingly simple ways to scale down, smarten up and help your practice flourish.

Trouble-free:

- 3 year system coverage
- 2 universal heads, so you always have a spare
- annual product maintenance visit
- complimentary head recalibration after 50,000 pulses*
- free software upgrades

Worry-free:

- you are never without a working head
- zero recalibration charges
- no revenue loss during maintenance

* Simplicity Package does not include shipping cost for complimentary head recalibration service.
