

Americas' Full Service Promotion

May 15, 2008 – November 15, 2009

Agilent Technologies' customers who purchase one of the Full-Service offerings when placing their instrument order, are entitled to receive either a 20% or 30% promotional discount.

Offering 1

*20% 3-year
Full-Service Discount*

Customers who order an Agilent instrument (which includes a standard 1-year warranty) are eligible to receive a 20% full-service discount when upgrading the warranty to 3 years, AND purchasing a 3-year calibration plan.

OR

Customers who order an Agilent instrument (which includes a standard 3-year warranty) are eligible to receive a 20% full-service discount when purchasing a 3-year calibration plan.

Support product numbers

- 3-year extended warranty option: R-51B-001-3C
- 3-year upfront calibration options: R-50C-011-3, R-50C-016-3, or R-50C-021-3

Offering 2

*30% 5-year
Full-Service Discount*

Customers who order an Agilent instrument (which includes a standard 1-year warranty) are eligible to receive a 30% full-service discount when upgrading the warranty to 5 years, AND purchasing a 5-year calibration plan.

OR

Customers who order an Agilent Instrument (which includes a standard 3-year warranty) are eligible to receive a 30% full-service discount when upgrading the warranty to 5 years, AND purchasing a 5-year calibration plan.

Support product numbers

- 5-year extended warranty options: R-51B-001-5C or R-51B-001-5CU
- 5-year upfront calibration options: R-50C-011-5, R-50C-016-5, or R-50C-021-5

Agilent Technologies

Promotion Conditions

1. This promotion is open for Agilent Technologies' commercial end user, education, US government, OEM, rental, VAR, system integrators, distributors and designated resellers in the Americas.
2. Customers must reference promotion code 1.057 upon order placement.
3. The promotion discount is combinable with customer's standard purchase agreement discount (total discount cannot exceed initial promotional discount of 20% or 30%).
4. Promotion products cannot be substituted with other Agilent products.
5. Promotional products must be ordered when the instrument is placed. It is recommended all promotional products are placed on the same purchase order unless a separate PO is needed for products and services.
6. Agilent Technologies reserves the right to modify or discontinue this offering during the promotional period.
7. Open and closed orders placed prior to the start date of the promotion are not eligible for this promotion.

Remove all doubt

Our repair and calibration services will get your equipment back to you, performing like new, when promised. You will get full value out of your Agilent equipment through-out its lifetime. Your equipment will be serviced by Agilent-trained technicians using the latest factory calibration procedures, automated repair diagnostics and genuine parts. You will always have the utmost confidence in your measurements. For information regarding self maintenance of this product, please contact your Agilent office.

Agilent offers a wide range of additional expert test and measurement services for your equipment, including initial start-up assistance, onsite education and training, as well as design, system integration, and project management.
