**Government Customers:** If you are unable to return your testers or benefit from rebates, please contact [info@flukenetworks.com](mailto:info@flukenetworks.com) or call 1-800-283-5853 to learn about our upfront discount programs.

**Program requirements:**

- Only DTX models are eligible for trade-in
- Only one of each DTX may be traded in per Versiv unit purchased
- Purchases must be made by June 29, 2018
- Traded-in DTX units and rebate forms must be shipped to Fluke Networks within 30 days of Versiv purchase
- Customers must have an active DTX Gold contract at time of purchase in order to qualify for "Gold Owner" rebates.
- Gold for traded-in DTX (if any) will be "rolled up" to new purchases
- Cannot be combined with any other promotion

**To get your rebate:**

- 1 Purchase an eligible Versiv model(s) from January 2 through June 29, 2018
- 2 Print out the rebate claim form available at [www.flukenetworks.com/DTX2Versiv2018-Trade-In-Form](http://www.flukenetworks.com/DTX2Versiv2018-Trade-In-Form), complete it and ship it with your eligible trade-in unit(s) and a copy of your purchase invoice within 30 days of purchase
- 3 Fluke Networks Gold Support team "rolls up" the value of the remaining Gold from your trade-in unit (if any) to that term and sends you rebate check as shown above. Customers who purchased Gold with their Versiv unit will be shipped the products as noted above. Please allow 8-10 weeks for processing.
