

Tek Care Service Plans

Cut Costs. Reduce Downtime.
Protect Your Investment.

Minimize downtime and ensure peak performance of your instruments with a Tek Care repair plan.

Key Features

The Tek Care service plan safeguards your investment and keeps your Tektronix products running like new with an extension of the factory warranty. The Tek Care service plan includes:

- Fast turnaround time
- Covers full repair costs including all parts, labor, and transportation
- Instruments returned to like-new factory performance
- 90-day service warranty
- Includes calibration (if necessary) and adjustments to published accuracy specifications

Convenience

Minimize downtime with a Tek Care plan. You are one click or phone call away from starting your repair process - no quotes, purchase orders, or approval delays.

Cost Effectiveness

Our plans cover all parts, labor, and transportation costs for up to 5 years of peace of mind and protection from unplanned expenses.

Compliance

Calibrations are performed under ISO 9001:2015 Registered Quality System and in compliance with metrology standards:

- ISO/IEC 17025:2005
- ANSI/NCSL Z540.1-1994(R2002)
